

Internet
Safety

**Awareness
for all parents**

**Does
your
child
use the
internet
at
home?**

**If the answer is yes then there are
some questions you need to ask
yourself!**

Think!

- **Where is the computer kept?**
- **Do you/your children have a password?**
- **Do they have access when you are not home?**
- **Why do they access it?**
- **Do you have a Parental Block?**

Chat Rooms

As a parent are you familiar with 'CHATROOMS'?

Who are they talking to?

Why are they talking to them?

Do you log their chats?

Beware! Be careful! Be safe!

Is this who your
child thinks they are
talking to?

When really it could
be him!

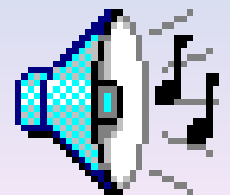

For example:

Tanya
13 years old

“Hello Shannon. Are we going to finally meet up 2nite?”

**We will have gr8 fun!”
says Tanya.**

Ha Ha Ha

**“Can’t wait 2 c u!”
says Shannon.**

**As a parent
you have a
responsibility
to look after
your children
and make sure
they are
SAFE!!!**

There are leaflets giving more information and cards listing helpful websites.

Please feel free to take one. (You will find them in the ICT suite).
