

## **Parent Partnership**

Please click on the following link to see how New Marske Primary School supports pupils with Special Educational Needs and Disability. This provides information about the support offered to pupils and parents from initial concerns about special educational needs and disability through to statutory assessment. Within this area you will also find the school's SEND policy.

- SEND Policy

## **Parent Mail**

The main method of communication within school is ParentMail. This service is an online systems that sends emails and texts to parents, keeping them informed about school issues. The system is used to send the weekly newsletter, inform parents about changes to clubs and after school activities. To sign up to ParentMail, please contact the main office.

## **School Meals**

From April 2014 the catering company Mellors has taken over providing school meals at New Marske Primary School. They provide a range of nutritious and tasty food across the school. Since the introduction of the government's Universal Free School Meal programme, all pupils in reception, Year 1 and year 2 are entitled to a free school meal. For pupils in the rest of the school, meals are charged at £2.00 per day or £10.00 per week. Payment can be made through the school office.

To help support pupils with their choice of meals, menus are posted in the school notice boards each week and are sent out via ParentMail. If you require a copy of the menu, please contact the school office.

If pupils are entitled to a free school meal, it is important that parents still apply for this as this entitles pupils to extra funding as part of the government's 'Pupil Premium' grant. Please contact the school office for more information.
