School Website

Please go to www.newmarskeprimary.co.uk to take a look at the new school website. The website contains a range of information that is of interest for pupils and parents alike. For pupils there is a learning zone with links to a range of learning sites. For parents and carers there is access to range of school polices, our weekly newsletters and for the first time a news a blog section keeping everyone up to date with activities within school. So far the blog contains information about SATs and how we promote fundamental British values in school.
