New School Website

We are delighted to launch our new school website. The website contains a much easier way to find out about events in school. It contains a calendar, newsletter, school blog, policies, learning zone for pupils and range of great images of our children. Have a look and let us know what you think. Many thanks to the PTFA for funding the website. The website can be found at

SUMMER FAIR

If any parents, grandparents or friends are interested in helping out at the school summer fair, please let the school office know. Thank you.

CAREERS WEEK

Due to our success of last year's careers week, we are going to run this again next term. We would like to focus on engineering, maths, science and design. I am sure many of you use these within your jobs daily. If you would be willing to come along and inspire our children, please let Miss Hill or the office know.

Thanks
