

Parents Survey

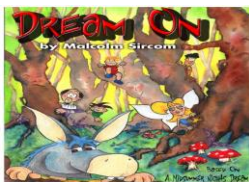

Please go to the 'news' section of the school website to view the results of the 2016 parents' survey. The results of the survey were extremely positive, with all parents agreeing with the statements that our school is a warm and welcoming place. No one disagreed with the statements that their child is taught well and their child is making good progress. For information about what we are going to do to improve the school further, visit the website.

Congratulations to Mrs L. Moores for winning the cinema voucher for the parents' survey draw.
