

Transition

Well done to all of our pupils who have helped to make the transition between classes a painless experience. Pupils have adjusted to new teachers, classes and playgrounds well and this should help to make the rest of the term progress smoothly.

CAREERS WEEK

A huge thank you to all of our visitors who made last week's event such a great success.

School Website

The school website is the new place to keep up to date about events in school. Three important areas are found there which will help parents find out about what is going on in school. The calendar will keep parents up to date about events in school. The school blog (about us – school blog), lets parents know about things that have happened in school. Recent posts include information about sports day and the very successful careers week. The news section (key info – news) will inform parents about the latest news in school. Recent news has included information about the parents survey, meal choices and the new school app.

ZUMBA

The Zumba has now finished for this term and will commence again in the autumn term.

LOST PROPERTY.

We have a large amount of lost property from PE kits, to coats, jumpers and shoes – all in extremely good condition.

Please come into school this week and retrieve any items that your child may have lost. Any uncollected clothing will be recycled. Thank you.

After School Homework and Activity Club

The school are investigating the possibility of starting an after school club similar to the breakfast club. The club will run from 3:15pm - 5:00pm on a Tuesday and Wednesday and Thursday, with the possibility to extend these days if successful. Funding for the club will be in the region of **£3 per pupil per session**. So that we can assess if the club would be wanted by our parents and pupils, please return this section of the newsletter to the school office or notify the office of your interest.
