

This year we are holding a harvest festival, with all donations being passed onto Redcar foodbank. There will be a service in school on Wednesday 19<sup>th</sup> October, where all parents are welcome to share the harvest and be thankful for all the things that we have, as well as the donations we are able to make.

Please bring to school any dried foods or tins that you are able to spare so they can be placed on the display of harvest in the hall.

Thank you in advance, I am sure that we are able to pass onto the foodbank a range of foods for needy families within the area.

Has your child ever wanted to learn how to play a musical instrument? The joy of learning how to play an instrument stays with someone for life and is something on offer at New Marske Primary School. Children in years 4, 5 and 6 can learn to play the violin, viola, cello, double base, clarinet, saxophone and flute.

This service is provided by the Tees Valley Music Service at a small cost. If you would like more information about the music services on offer at school contact the school office, your child's class teacher or visit the TVMS website on: [www.tvms.org.uk](http://www.tvms.org.uk)

## POLITE NOTICE EARRINGS

The school has a no earring policy for each child's safety. If children have earrings, they will not be allowed to take part in any physical activities or PE. If deemed to be unsafe, pupils can also be removed from the playground to prevent the risk of an injury happening at playtime or dinnertime.

Thank you.
