

Blossom Tree Nursery

Did you know that at New Marske Primary School we educate pupils from 2 to 11 years of age? Since September 2014 the school have developed a specific setting for 2-3 year old children. Blossom Tree Nursery sits at the main entrance to the school and can support 24 children in total; 12 for each session. The nursery provides private childcare at reasonable rates, but also offers free childcare places for parents who are entitled to certain benefits. For more information ask at the school office or talk to a member of the Blossom Tree staff.
