

New Marske PTFA.

Our first PTFA meeting to organise the events for this academic year will take place on Thursday 7th September at 3pm in the brain space at school.

Everyone welcome.

Welcome Back

A warm welcome back to school to all of our pupils and parents. We hope you have had a relaxing and peaceful summer break and are fully rested for the year ahead.

Two days into this term we are delighted with the way pupils have managed to get straight back into school routines. The transition at the end of the summer term has proven to be a really valuable week for our pupils as it allows the whole school to work with their new teacher and classmates, as well as working in a new part of the school. You can tell by the way pupils have moved straight into their new year groups that these days were really valuable.

As we move into this new academic year, we have made a few changes to our school day. Playtime has now been moved to 10:30am and will last until 10:45am. Teachers will now have their planning time from 2:45pm – 3:15pm every day, instead of two hour session per week. This means that if you wish to contact your child's class teacher for any reason, the best time to do that is between 8:30am and 8:45am Monday to Friday.

WELCOME....

Although we were disappointed to lose a few members of staff over the summer we are delighted to welcome Mrs Burns and Mrs Morris to our teaching team. Mrs Burns and Mrs Morris will be working in our year 3/4 team. We also have three new pupils in school: Bradley, Leo and Niyah. Welcome to everyone who has joined New Marske Primary School. We hope you have a wonderful time here.

CHANGES TO OUR SCHOOL DAY:

Family assemblies will now take place on a Thursday at 2.45pm. Dates of the individual classes will follow shortly.

School Uniform and Earrings

It has been wonderful to see our pupils fully kitted out in their uniform and shoes for the start of this year, please can we remind pupils and parents that, for safety reasons, earrings are not allowed in school. If earrings are present, the school will remove pupils from any activity which could cause damage to the ear such as PE and playtimes, until the earrings are removed.
