

Awareness Day

On Friday the 8th of June we are having an awareness day for JIA. JIA is *Juvenile Idiopathic Arthritis* and one of our pupils works incredibly hard to overcome the challenges that living with the condition brings.

On Friday pupils are encouraged to come into school wearing purple and to bring cakes in for a sale. All funds raised, including the £1 to come into school in purple, will be donated to this worthwhile cause.

During the day, there will be an assembly for pupils informing them about the condition and how it affects sufferers. They will also learn about what they can do to support others who have this condition.

As a school we feel that this will be a great way for pupils to learn about how people are affected by various conditions and fits in well with our curriculum work on Personal, Social and Health Education.

Key Dates

- Friday 22nd June - PD Day – School is closed to pupils

Parents Survey

If you have completed the parents' survey, please can you return this to school as soon as possible. If you have not received one, please contact the school office.

BBC Tees Appearance

Well done to Miss Allen, Mrs Patterson, Izzy Seymour, Eve Harrison and Abby Vickers for their wonderful performance on the Bob Fischer show on BBC radio Tees on Monday afternoon at 2pm. The group went to the show to talk about the upcoming 150th anniversary of a school in New Marske. During the session, the group told some old stories about schooling in New Marske as well as some information about what we are doing to celebrate this important anniversary. If you want to listen to this show, go to the iPlayer and search for the BOB Fischer show from 4th June at 2pm.

PTFA

On the Thursday 21st of June the PTFA are planning to organise an afternoon picnic to celebrate the start of the World Cup. As this date is one week into the competition, England will still be in the competition and we can still dream about the prospect of lifting the World Cup in July.

For this day, parents are invited to come into school with a picnic and have lunch with their family on the school field.

All pupils who have a school meal will receive a packed lunch from the school kitchen for this day. All pupils who normally bring a packed lunch should bring a packed lunch as usual.

After the picnic, parents and pupils will be able to take part in some games and activities. Parents can bring along blankets to sit on if needed. In the case of wet weather, parents will leave school after they have had their picnic with their children.
