

## Parents Survey

Many thanks to all of our parents who took the time to complete the parents' survey. The survey is always a great way to find out what our parents think about the education we provide here at New Marske Primary School. As with any survey, your responses have provided a number of areas to focus on and work has started to look at some of the areas highlighted by parents.

As a school we were delighted that 100% of parents said that staff in school were approachable if there is a concern, 100% of parents said that they felt comfortable talking to class teachers about their child's education and 100% of parents said that they felt their children were safe in school.

The areas we will look at as a school over the coming weeks will include the issue of homework, and how the school responds if concerns are raised.

The full results of the survey will be posted on the school website over the coming days.

## PTFA

Thank you to our PTFA for organising a wonderful World Cup Picnic last week. The day was a huge success and it was great to see so many parents in school enjoying the sun and fun on the school field.

## Sports Day
