

Contact Details

Please ensure that you inform the school of any changes to your contact details in case school needs to contact you in an emergency. If you change any telephone numbers or address, please let the school know as soon as possible.

Please remember to update your numbers on ParentMail as well as informing the school office. If you update your details with the school, this does not automatically update the number held on your ParentMail account.

Also, if you have asked someone else, not on the contact list, to pick your child up after school, please can you let the school office or class teacher know before 2:40pm if possible. Unless the school has been notified, we can only release children to adults on the contact list.

PTFA

As you can see from the calendar above the PTFA will have a planned week of activities from the 21st – 25th of October. During this week there will be a range of activities for pupils and parents to take part in.

Earrings

As a school we do have a no earring policy and do ask that pupils remove earrings before coming to school.

From Monday 23rd September our new break time provision will be fully operational with a wide range of games available outside. Due to the increased risk of injury, pupils wearing earrings will not be able to take part in this exciting new break provision.
