

## HARVEST FESTIVAL

During this week's assemblies in school pupils have been looking at Article 2 of the UN convention on the rights of a child. This right highlights that:

*'Every child has the right to life.*

*Governments must do all they can to ensure that children survive and develop to their full potential.'*

We recognise that in New Marske we are lucky to have families that support us and a good education to help us develop further, but we also recognise that we are luckier than other children in our region and around the world. To help support families who are less fortunate than us, we are collecting a range of tinned and packaged food for our Harvest Festival. After our Harvest Festival on the 19<sup>th</sup> of October, all of the food will be donated to the Redcar food bank. Please send any donations in before this date.

Thank you
