

School Meals

Due to circumstances beyond our control the price of school meals will be rising to £2:15 in September 2018. This means that the cost for the week will be £10:75. As a school we do feel that this price increase still offers good value to pupils and parents. Everyday pupils have a meat choice, a vegetarian choice, as well as the option of a jacket potato or sandwiches. Every meal comes with the choice of vegetables or salad with two choices for dessert. As we enter a new school year the option of having a warm school meal during the cold winter months is so beneficial and we hope you continue to support the excellent service provided by Mellors.

If parents would like to come into school to see what the quality of the school meals are like, please make an appointment at the school office.

Key Dates

- Thursday 5th July – Sports Day and School Fair
- Friday 20th July – Last day of term - school breaks up for the summer @ 3:15pm
- Tuesday 4th September – Pupils return to school for the first day of the new school year

Donations

There is still time to bring in donations for the school fair on Thursday.

- Any donations of bottles, toiletries or gifts can come in at any time
- Any donations of cakes can come in on Thursday

Thank you for your support.

Sports Day

On Thursday it will be sports day and the school fair all rolled into one. The sports day will start at 1:30pm, with pupils taking part in a rotation of sporting activities which parents can watch. The sports day will finish at 3:00pm, with pupils then returning into school to be dismissed at the usual time of 3:15pm. After school, there will be the school fair with a range of stalls around the school. Refreshments will also be served and all funds will go towards the PTFA.

Earrings

Over the year we often have discussions with parents about our approach to earrings. Our school policy is that we do not allow our pupils to wear earrings for safety reasons. As we approach the school holiday, this is a good time for pupils to get their ears pierced if they so wish. This will then allow the earrings to be able to stay in place over the summer holiday, ready to be safely removed when they return to school in September.
