New Marske Primary School's PTFA needs you!

New Marske Primary School's PTFA has been raising extra funds to help make a difference for all the pupils. The PTFA has provided funding for school supplies, Tackling Tables as well as a trip to Beamish. The PTFA is also organising / funding events, which will make each child's time at school memorable. In the past this has included subsidised field trips, in school visits by inspirational people, school discos, an afternoon tea, a World Cup picnic, film nights, Christmas and Summer Fairs.

Currently we have very few members and we would love further volunteers to join us in making the difference for your children. Help us raise the funds the pupils need to provide additional educational materials and special memories for them to take away from their time in Primary School.

There are many different ways to help out including; taking part in meetings and sharing your ideas, helping to man stalls and supervising at events, acquiring donations from local businesses, sharing your expertise in your particular field, donating your time etc.

Please contact us if you are able to help in any way - we would be delighted to have you as a part of our enthusiastic team.

The PTFA is committed to making a difference-however we can only do this with your support.
