Dear Parent/Guardian

We're writing to you to tell you about our exciting and important SHARE A STORY FOR 10 MINUTES TODAY campaign to get everyone sharing stories from breakfast to bedtime. Reading with your child now can have long-lasting benefits for their future and because we know how busy you are, the great news is that reading together for JUST 10 MINUTES a day can make all the difference.

From Monday the 24th February all children in school will be encouraged to read everyday to reach the school target of 6000 books! If we reach this, we have a chance of winning PRIZES for school. Classes will also be competing against each other to be the Reading class of the week in New Marske. All we ask you to do is read daily with your child and fill in their reading record.

Many thanks,

Miss McMeekin

The more you enjoy reading a book, the more the child you're sharing it with will too. My biggest tip is to cosy-in for the moment and go at the pace of the child... stories, like life, are more fun when you slow down and savour the journey."

## WORLD BOOK DAY 2020

World Book Day will be celebrated in school on Thursday 5<sup>th</sup> March. We will be asking the children to get dressed as their favourite character and bring the book with them. There will also be a number of activities taking place throughout that week relating to books.

Our annual bounce for books will also take place on World Book Day. Sponsor forms were sent out at the end of last term.

If you would like additional sponsor forms please ask Miss Richmond in the office.

All money raised buys new books for your children to read.
